REVEREND DR.  
ROB HAGAN

Ministry Relations Officer, Presbyterian Foundation. He works with pastors and church leaders to cultivate generosity and promote stewardship within their congregations. He also meets with donors to assist them in making gifts to support their church and other ministries.

Wills and other forms of legacy giving are essential components of estate planning – the process of managing your accumulated assets and determining what legacy you will leave through them, including your legacy of faith. The Foundation offers planning tools to help donors compose their legacy giving and to help churches support these efforts.

Community Presbyterian Church is hosting a seminar presented by Rev. Dr. Rob Hagan of the Presbyterian Foundation on Sunday, April 29, to help those who have questions and concerns about how to leave a legacy for your church or favorite mission for years to come. Please sign up for this informative seminar in the Narthex.

## Legacy Giving

Estate planning offers the opportunity to make an enduring statement of one's charitable priorities and faith. This act of stewardship can leave an indelible mark on others in the future. It is exciting to begin to see the possibilities of preserving your passion for generations to come and bless those who come after you.
